

TIMOTHY ADEBOGUN

Software Developer (frontend)

Contact

Lagos, Nigeria
+2348094706883 (WhatsApp)
Timcodes117@gmail.com

Objective

I am a passionate and results-driven software developer with hands-on experience in Flutter, React, Python Flask, and JavaScript/Typescript. I specialize in building high-quality, user-friendly applications and continuously seek opportunities to grow and take on new challenges. I believe in clean code, efficient development practices, and the power of collaboration. I'm eager to contribute to impactful projects and to keep learning from others in the industry.

Education

UNIVERSITY OF LAGOS, NIGERIA, BSC.
IN INSURANCE

Key Skills

- **Languages & Frameworks:** JavaScript, Typescript, Dart, Python, React, Next.js, Flutter, Flask
- **Tools & Technologies:** Git/GitHub, Tailwind CSS, Postman, Cursor
- **Version Control:** Git CLI
- **APIs & Testing:** REST APIs, Postman

Experience

2024 – Till Date

Web / Frontend Developer • Growpins AI

- Collaborating on building scalable and responsive web applications.
- Utilizing React, Typescript, and Tailwind CSS to create high-quality UI components.

2023 – Feb 2025

Mobile App developer • Pecafrica

- Developed and maintained cross-platform mobile applications using Flutter and Dart.
- Implemented RESTful APIs and ensured smooth UI/UX functionality.

2022 - 2023

Web developer (React) • Swapspace

- Built and optimized React-based web applications.
- Collaborated with designers and backend developers to deliver seamless user experiences.

I've been passionate about technology from a young age, starting by creating simple video games. Today, I'm committed to turning that passion into a meaningful career in software development.
